

Napkin Apologetic

1 Peter 3:15

I. The Law of Comfort

II. The Most Important Question in the World?

Who is Jesus Christ?

A common “comfortable” response - get real busy and ignore the question!

**It seems obvious that people generally lie for one of four reasons:*

for money,

for sexual gratification

for power,

or to get themselves out of trouble.

If this is true, what did Jesus’ inner circle (the Apostles) gain from their elaborate fabrication of the Gospel story?

Could we Christ-followers be wrong? Yes, it is *possible* that we have been duped, but it is not *probable*!
