

Faithful Fruits

It's an easy thing to love your child,
As every mother knows.
Not so easy to have patience,
And even more so self-control.

Sleepless nights will test your patience,
And most definitely your peace.
The sadness of a crying baby,
Can make joy quickly leave.

But, when that newborn baby cries
You will feel something very strange
The kindness and gentleness reserved for new mothers
Boundless emotion, limitless range.

All the fruits will ripen throughout motherhood.

But, there is one fruit that should never be misunderstood.

Faithful is the fruit,
That should thrive whole-heartedly.
For when this fruit does flourish,
The best mother you will be.

Faithful to your God above, your Lord, your Savior.
Faithful to you husband, who you love and adore.
Faithful to your family and your darling baby...

If you are always **faithful** a **fruitful** life will be your legacy.

But, the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Against such things there is no law...Since we live by the Spirit, let us keep in step with the Spirit.
