

kind

"The most important things in life are very fragile."

Eph 4:32 NIV

Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.

Webster's Dictionary defines the word *kind* with the following synonyms:

affectionate,
loving,
friendly,
gentle,
pleasant,
agreeable,
forgiving,
sympathetic

1 Cor 13:4-8 NIV

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.
