The Two Primary Objectives of Discipleship Training

DALLAS WILLARD IN THE DIVINE CONSPIRACY

1. To bring apprentices to the point where they dearly love and constantly delight in their "heavenly Father" who was made real to earth in Jesus and are quite certain that there is no "catch," no limit, to the goodness of His intentions or to His power to carry them out.
2. To remove our automatic responses against the Kingdom of God, to free the apprentices of domination, of "enslavement" to their old habitual patterns of thought, feeling, and action.

"Life in Heaven is the result of God's grace through Christ alone; however, a heavenly life on earth is the result of an intentional and disciplined obedience to God's gracious and brilliant commandments!" FMN

Luke 6:40 NIV

"A student is not above his teacher, but everyone who is fully trained will be like his teacher."
