

HANNAH HOUSE APPLICATION

(406) 256-3002 ext 301 (Muriah)

At Hannah House, we recognize that all women are valuable because they are created in God's image. Because of this, Hannah House exists to give women in recovery from drugs and alcohol a chance at a new way of life centered around the person of Jesus Christ. While we primarily exist to support women who desire a deeper relationship with Jesus Christ, applicants do not need to profess faith in Christ to be considered for acceptance into Hannah House. The Hannah House is committed to equal opportunity for all qualified persons, without regard to race, color, ancestry, national origin, gender, marital status, physical handicap, medical condition, or age, to the extent required by law. Applicants must meet the following criteria:

- 18 years old or older
- 30 days clean and sober
- actively pursuing recovery
- not be classified as a sexual or violent offender

Residents are required to pay rent in the amount of \$425/month, \$50/month of which functions as a security deposit. This includes rent, utilities, and internet. The security deposit is refundable upon move-out, providing the room and its original contents are intact and in good condition.

By signing this, you understand and acknowledge that Hannah House is a ministry of Community Leadership and Development, Inc.

You understand that you will reside at Hannah House as a lodger and not a tenant with rights of possession or exclusive use of space. Residents of Hannah House are not considered tenants and as such are not protected under tenant's rights laws. A resident can be ejected from the property on a moment's notice without the due process of eviction procedures.

You agree to abide by the house expectations and structure and understand major violations may be cause for vacating the premises immediately. The expectations are to be followed by all residents of Hannah House.

We will acknowledge receipt of your application as we process it.

HANNAH HOUSE - STRUCTURE

Hannah House is a home, therefore community life here resembles family life. Everyone who lives here must not only work outside of home via employment, but inside as well. The work inside is three-fold:

1. There is manual labor:

- Completing weekly house chores, cooking a meal with other residents, keeping the inside and yard area of the house neat, clean, and orderly

2. There is the labor of relationships with people:

-Common courtesy: picking up after yourself, washing up your own dishes, keeping noise down in the morning and at night, thinking before you speak, fulfilling your household obligations on time, respecting the property of others, not continually asking to borrow things or asking for favors, etc.

-Intentionally loving: leaving a card for someone to say how you appreciate them, organizing a family dinner, making a selfless choice for the good of the family, etc.

3. And most importantly, there is the labor of taking care of yourself:

-By pursuing a right relationship with God, then immersing yourself in His Word, in prayer, and in walking in accordance with His ways

-By engaging the people in your life as a new creation, and as one who has a story to tell of redemption and of the dynamic work of Christ in your life

-By demonstrating willingness to make healthy choices to better yourself, including working your program, attending classes and meetings, maintaining appropriate communication with house staff, etc.

I AGREE TO ABIDE BY THE HOUSE STRUCTURE. I UNDERSTAND THAT FAILURE TO DO SO MAY RESULT IN IMMEDIATE EXIT FROM THE HANNAH HOUSE:
